

DEPARTMENT OF ANESTHESIA

GMC DATIA

List of Publications

S. No.	Faculty Name		Publication in Vancouver referencing style.	Indexing System
1.	Dr. BHARAT VERMA	(1)	International Journal of Pharmaceutical and Clinical Research 2022; 14(10); 693-697 Comparison between the Effects of Ringer's Lactate and Hydroxyethyl Starch on Pulse Rate and Systolic Blood Pressure after Spinal Anesthesia: A Randomized Clinical Trial Bharat Verma¹, Amrita Nidhi² ¹ Assistant Professor, Department of Anesthesia, GMC, Datia. ² Assistant Professor, Department of Anatomy, MLB Medical College, Jhansi	SCOPUS, EMBASE
		(2)	International Journal of Pharmaceutical and Clinical Research 2022; 14(10); 688-692 Comparative Study of Epidural Bupivacaine with Buprenorphine, Pentazocine and Tramadol for Post Operative Pain Relief Bharat Verma¹, Amrita Nidhi² ¹ Assistant Professor, Department of Anesthesia, GMC, Datia ² Assistant Professor, Department of Anatomy, MLB Medical College, Jhansi	SCOPUS, EMBASE
		(3)	International Journal of Pharmaceutical and Clinical Research 2022; 14(11); 234-239 A Comparison of I-Gel and Proseal LMA's Effects on Hemodynamics in Adult Patients Undergoing Laparoscopic Cholecystectomies under General Anesthesia Bharat Verma¹, Amrita Nidhi² ¹ Assistant Professor, Department of Anaesthesia, Govt. Medical College, Datia. ² Assistant Professor, Department of Anatomy, MLB Medical College, Jhansi.	SCOPUS, EMBASE

		(4) International Journal of Pharmaceutical and Clinical Research 2022; 14(11); 206-209 A Comparison of the Sealing Pressures and Post-Complication Rates for Adults Having Elective Laparoscopic Cholecystectomy Under General Anesthesia Using I-Gel and Proseal LMA Bharat Verma¹, Amrita Nidhi² ¹Assistant Professor, Dept. of Anesthesia Govt. Medical College, Datia ²Assistant Professor, Dept. of Anatomy, MLB Medical College Jhansi	SCOPUS, EMBASE
		(5) Journal of Cardiovascular Disease Research ISSN: 0975-3583,0976-2833 VOL12, ISSUE06, 2021 To evaluate the efficacy and orally administered midazolam in pediatric age group. Dr. Bharat Verma¹ (Assistant Professor) Dept. of Anaesthesia, GMC, Datia, M.P.1 Corresponding Author: Dr. Bharat Verma	SCOPUS, EMBASE
		(6) Journal of Cardiovascular Disease Research ISSN: 0975-3583,0976-2833 VOL13, ISSUE05, 2022 To Compare the Effects in Terms of Onset & Duration of Sensory & Motor Blockade Combination of Dexmedetomidine & Ropivacaine With Ropivacaine Alone for Supraclavicular Brachial Plexus Block Dr. Bharat Verma¹ (Assistant Professor) ¹Dept. of Anaesthesia, GMC, Datia, M.P. Corresponding Author: Dr. Bharat Verma	SCOPUS, EMBASE

2.	Dr. RAVNEET SINGH BHUSARI	(1)	Bhusari Ravneet Singh, Comparative clinical assessment of spinal anesthesia with Levobupivacaine alone vs a combination of Levobupivacaine and Dexmedetomidine International. Journal of Life Sciences, Biotechnology and Pharma Research, January 2024 Vol. 13, No. 1, Online ISSN: 2250-3137	EMBASE
		(2)	Bhusari Ravneet Singh, Comparison of intrathecal isobaric ropivacaine plus dexmedetomidine and isobaric ropivacaine plus clonidine for elective lower abdominal and lower limb surgeries. NeuroQuantology, August 2022, Volume 20, Issue 10, Page 5709-5713	EMBASE
		(3)	Bhusari Ravneet Singh, Intrathecal dexmedetomidine and magnesium sulfate as adjuvants to bupivacaine in patients undergoing total hip replacement International. Journal of Life Sciences Biotechnology and Pharma, July- Sept 2023, Vol. 12, No. 3, Online ISSN: 2250-3137	EMBASE
		(4)	Bhusari Ravneet Singh, To compare the intraoperative haemodynamic parameters and cost effectiveness between sevoflurane (inhalational) anaesthesia and propofol (tiva) based anaesthesia European. Journal of Molecular & Clinical Medicine, 2022, Volume 9, Issue 6, ISSN 2515-8260	DOAJ
3.	Dr. DIVYA GAUTAM et. al. (Asst. Prof.)	(1)	To Compare EFFECT OF DEXEMEDETOMIDINE, CLONIDINE AND FENTANYL IN EPIDURAL ANESTHESIA IN LOWER LIMB ORTHOPEDIC SURGERIES AS ADJUVANT TO 0.75 % ROPIVACAINE. JOURNAL OF CARDIOVASCULAR DISEASE RESEARCH Dr. Divya Gautam¹ (Asst. Prof.), Dr. Abhishek Tittal² (Consultant), GMC DATIA	SCOPUS, EMBASE
		(2)	COMPARATIVE STUDY OF BUPIVACAINE 0.5 % VERSUS BUPIVACAINE PLUS DEXMEDETOMIDINE IN SUPRACLAVICULAR BRACHIAL BLOCK FOR ELECTIVE UPPER LIMB SURGERIES. Dr. Kirwale Yogesh Sambhaji¹ (PG Student), Dr. Divya Gautam² (Assistant Professor), GMC DATIA Corresponding Author : Dr. Divya Gautam	SCOPUS, EMBASE

4.	Dr. UMESH KUMAR PATEL	(1)	Patel Umesh Kumar et. al., Direct laryngoscope guided method and a second-generation airway (i-gel) guided method for endotracheal intubation: a randomized clinical study. Trends in Clinical & Medical Sciences, 2023, 217-223; doi:10.30538/psrp-tmcs2023.si-rdmsr029	DOAJ
		(2)	Patel Umesh Kumar et. al., A randomized and comparative study on anterior approach versus posterior approach for internal jugular vein cannulation. Trends in Clinical & Medical Sciences, 2023, 210-216; doi:10.30538/psrp-tmcs2023.si-rdmsr028	DOAJ
		(3)	Patel Umesh Kumar et. al., Efficacy of Dexmedetomidine Versus Clonidine as an Adjuvant to Bupivacaine in Epidural Anesthesia for Lower Limb Surgeries: A Clinical Assessment. Journal of Cardiovascular Disease Research, 2024, VOL15, ISSUE 12, ISSN: 0975-3583,0976-2833	EMBASE
		(4)	Patel Umesh Kumar et. al., Comparative Evaluation of Epidural Ropivacaine and Bupivacaine for Labor Analgesia: A Retrospective Study. Journal of Cardiovascular Disease Research, 2024, VOL15, ISSUE 12, SSN: 0975-3583,0976-2833	EMBASE
